We dedicate the 1959 POLARIS to

Superintendent  
LLOYD M. THEURER  
(Died March 24, 1959)

Administrator, educator, teacher, and friend. He wanted the best in education for the maximum growth of every child in the Cache County Schools. His sudden death shocked and grieved the students of North Cache High School.

And you'll see the "NC"

--"Our symbol on the hill"

More than a quarter of a century has passed since North Cache High School was transformed from a dream in the minds of progressive men to a tangible reality.

North Cache is no longer in its infancy, nor is it completely mature. But the metamorphosis it has undergone during its 38 years of existence has given it prestige and recognition among other high schools.

After a lengthy debate over where the school was to be built, the present site was agreed upon; and the building was erected in 1921. C. H. Anderson was the first principal. As the school grew larger, a need arose for a wider variety of subjects, so in 1929 a shop was built. J. W. Kirkbride was principal at this time. When Principal Kirkbride was appointed superintendent, C. I. Stoddard became the third principal. In 1950 Principal Stoddard retired, and Robert Dahle took over as principal of North Cache.

In 1952 the lighted N. C. was added to our building, which at night serves as a beacon light to the residents of the valley. And now in 1958 the white N. C. letters have been firmly planted on the hill, where in daytime our symbol is a constant reminder of all that North Cache stands for.

On Friday, May 16, 1957, a dream of Northcachians for many years became a reality. An "NC" made of cinder blocks was installed on a hill overlooking the school.

The "NC" was a gift from the graduating class who donned work clothes and installed the letters themselves. We are indebted to those seniors for a lasting gift that is there to constantly remind us of our beloved North Cache.

## on the '59 Polaris

Have you ever stopped to think about the endless amount of work that goes into the publication of our Polaris? Did you ever think of the dummies that have to be sketched, the pictures that have to be taken and developed, the write-ups that have to be written, and the deadlines that have to be met?

Yes, each of these problems comes in its turn and is somehow miraculously solved. The staff works hard to produce a yearbook Northcachians can be proud of. So, when you browse through this book, stop and think of the work that it entails.

Our days of North Cache High School have helped prepare us for the kind of tomorrow we should like to have--one of knowledge, service, and joy.

Let us take pleasure in reliving the memories created through hard work and study, Sweetheart Balls and Junior Proms, plays and assemblies, cantatas, and the exciting competition of sports.

Though we may be many miles away, our hearts will turn back to dear old North Cache; and we will relive many of the happiest moments of our lives.

Thanks to our clubs for all the fun-filled and entertaining activities they have sponsored. These activities offer further preparation for our future by teaching us teamwork, cooperation, and the joy of achievement. Through these activities we can develop and demonstrate qualities of leadership. Working with others toward a common goal is one of the most valuable and beneficial experiences we have had.

We appreciate the time and effort the Boosterettes have spent in learning their precision marching drills. They looked very smart in their new uniforms, and we enjoyed their performances. They have done much to stimulate school spirit and have always supported the team. Their outstanding pep rally will be one of the most memorable.

The Boosters have represented North Cache very well in athletics, and we are proud of them. Each time they were willing to fight just a little harder to bring us out on top. The Boosters and Boosterettes were co-sponsors in producing an enjoyable Homecoming dance and assembly.

The FHA has been responsible for many worth-while activities at North Cache this year. Their achievement is even greater, however, in their efforts to improve the methods of homemaking.

Striving to increase the prosperity of the farming industry is the energetic FFA. In conjunction with the FHA their contribution to the year's activities was an outstanding Harvest Ball assembly and dance.

The loyal girls in the Jr. J'Lee club have given school spirit a much needed boost. Among their many activities, they have stimulated the organization of a new marching group at North Cache, the N CeAires.

For a group of newcomers to our school, the Pepperette club has accomplished much. Their Valentine's assembly will be listed as one of the best. We appreciate their enthusiasm and cooperation.

The willing members of the Key Club have proven their capabilities in their activities which include an entertaining Thanksgiving assembly and a spirited pep rally.

Talented in speaking and debating are the members of the Speech club. With their forensic activities they have capably represented North Cache throughout the state.

A fairly new organization at our school is the Foreign Language club. The varied activities include Christmas caroling, a dinner with foreign food, and attendance at the BYU language festival, all in German, of course.

Thanks again, clubs, for making this 1959 school year a memorable and enjoyable one.

## Activities

Cheery "Hello's" at the Get-Acquainted Dance! The greeting of friendly familiar faces at our Homecoming. In assembly, the enthusiastic applause for our favorite trio--Margaret, Eunice, and Diane.

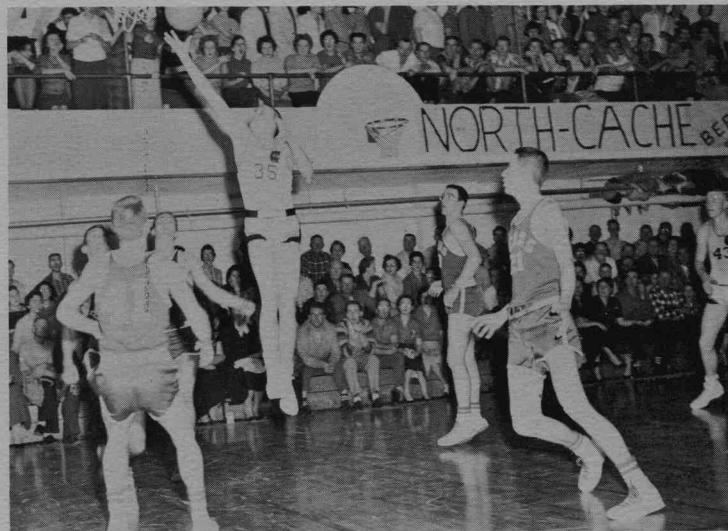

At the Sweetheart Ball, dancing with our favorite guy and gal, under a canopy lavender and purple. Breathless excitement at being chosen a North Cache Queen or King!

Tamara and Darla in a touching melodrama with a Halloween flavor. "Red Roses for a Blue Lady" in a fragrant flowershop. The lovely Valentine assembly with June Ann and Dolly silhouetted against a gorgeous red heart. And the most enchanted evening of all--the Junior Prom, with Kathryn as queen.

A musical history, interspersed with dancing, put on by U.S.U., and the tremendous men's chorus sponsored by B.Y.U.

Enthusiastic response to our peppy cheerleaders, another basket, victory, and we have inched a game closer to our coveted goal--STATE. Cheering, being foolish, tinting hair, back home--sleeping 'round the clock!

Cherished memories, all of them, of a profitable, cultural, and exciting year at good old North Cache.

We are very proud of our basketball team's fighting spirit which enabled us to participate in the State Basketball Tournament. A flip of the coin sent us to state in third place, after tying with Box Elder for second place.

Although we lost both games, our team made a very fine showing.

## Co-Workers

Carefully preparing menus that will provide for our nutritional needs are cooks Verda Peart, Enid Bair, Lona Smith, and Lola Bell.

Through the efforts of our Janitors, Dean Bullen and Calvin Housley, our school has been kept clean and in good repair.

We appreciate the efforts of our co-workers in helping to make out '59 school year a more enjoyable one.

Performing one of his duties as night watchman, Charles Burbank punches a clock.

With endless patience our bus drivers have safely transported us to and from school each day. Pictured here are Wayne Waite, Earl Ransom, Robert Reeder, Howard Bingham, Dallas Goodey, and Duane Griffin.
