

CLASS: LOWER SCHOOL - Nursery

These independent learning tasks should be completed by 19.05.2025. All completed tasks will be rewarded with positive points. You can upload your work to Seesaw for us to see.

Mathematics and numeracy

This term, we will practise forming numbers - 4, 5, 6, 7, 8 and 9. Can you form these numbers using coloured pencils on paper or chalk on the floor?

Introduce concept of estimation- Have a quick guess how many..... can you see? Now lets count and see if you are right!

<https://www.youtube.com/watch?v=xnUklsvfGY> Here is an example to help you.

English, literacy and communication

Listen to the story - 'The very grumpy day'. https://www.youtube.com/watch?v=CLpYp_IABc8.

Record yourself talking about why all the animals were grumpy. What acts of kindness do you remember from the story? Can you remember a time when you were kind?

Science and technology

Build a den using different materials and talk about which animals live in a den.

Caru dysgu: humanities

Find out which animals might live in a den and what they use to make their dens.

Caru dysgu: expressive arts

Make a collage of one of the 'Three Little Pigs' houses and bring it into school to share with your friends.

Well-being

Can you dance like an animal, follow the link and enjoy!
