*We will no longer get homework to send before a vacation. In the past, students don't have it done when they return and it is very time consuming for the teachers to prepare. The students will have time to make up their work when they return.*

*Note, as stated in the handbook: In order to be approved, this form must be completed at least one week prior to the student's vacation. Any vacation taken in the month of May will be an unexcused absence(s). Vacation excuses may include up to five days of absence with full make-up privileges for the entire year.*
