On Monday, April 21, 2025, the Crosby ISD Board of Trustees approved construction of a new Sixth Grade Campus.

The Sixth Grade Campus building will be located between the current Crosby Middle School and Crosby High School campuses (see above map). Once the Sixth Grade Campus opens, Crosby Middle School will then become home to 7th and 8th grade students only. All sixth grade students in the district would attend the standalone Sixth Grade Campus. The new campus will likely open in time for the 2027-28 Academic Year.

Relief for overcrowding at Crosby Middle School was the second priority for the Board, Superintendent Dr. Paula Patterson, and the citizens construction committee. The first priority was an expansion of Crosby High School, which is happening now. The CHS expansion will open later this fall.

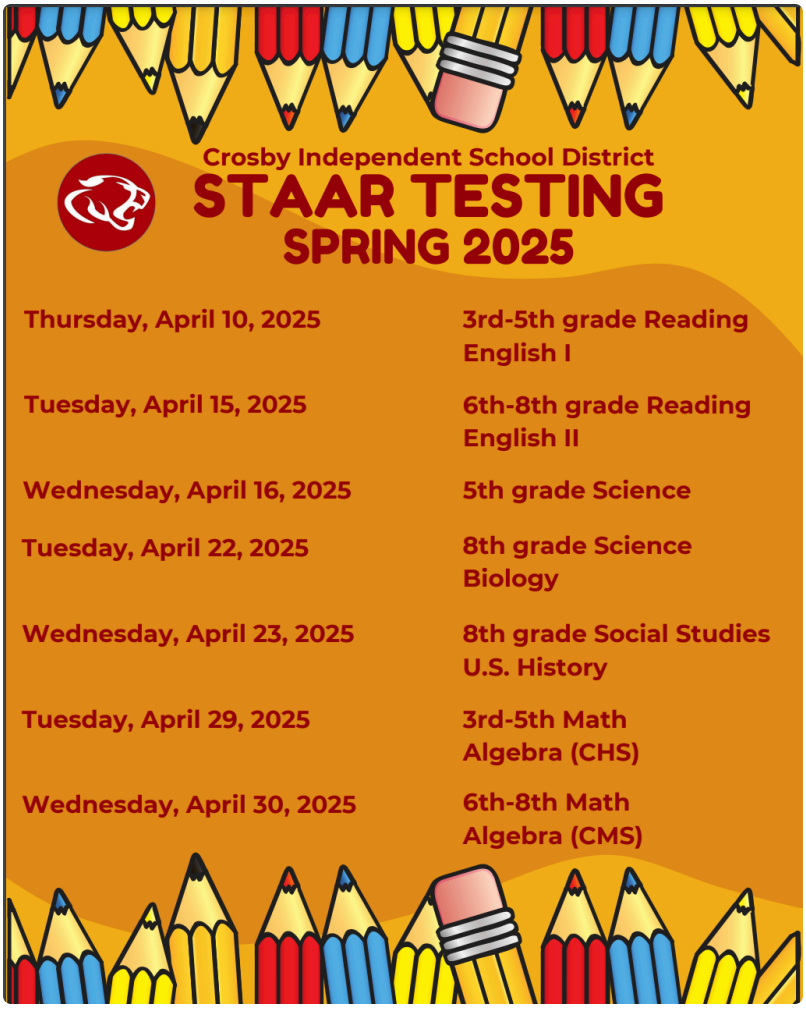

After the Board vote, Superintendent Dr. Patterson stated, “Crosby ISD is growing. We all know that, and we can all see that. Middle school relief has been one of the top priorities for the district these last few years. Now that we’re nearing the finish line for the Crosby High School expansion, it’s time to move forward with the next project under this administration. A Sixth Grade Campus situated between Crosby Middle School and Crosby High School is the perfect location to build. The district already owns the land, and we have the funds to build. It makes the most financial sense. We can begin the design phase almost immediately with construction to follow. The Crosby High School expansion gives us room for the additional student growth we’ve seen at that particular campus. Overcrowding at the middle school is something we believe a Sixth Grade Campus can relieve within two years.”

Crosby ISD Board of Trustees President Kea Lynn Lewis said, “The Board is thrilled to approve a new campus that will improve instructional opportunities in our school district. The Crosby High School expansion was the first new school construction project in eight years in Crosby ISD. The 6th grade center will be next. This project is so appealing, because we already own the land and can fast-track the construction process. Not having to purchase land means no taxpayer dollars will be needed to find and purchase real estate right now. The Board believes this is the fiscally conservative choice. Superintendent Dr. Patterson and her team are ready to get started.”

A land survey is now being done to examine the acreage that will be the future site of the 6th grade center. At the April 21 meeting, the Board of Trustees also hired architecture firm, Stantec, to begin designing blueprints for the future campus. The additional campus between Crosby Middle School and Crosby High School will not add to existing traffic, since Crosby Middle School currently houses all three grade levels now.

Crosby ISD is home to more than 7,000 students, with more than 1500 students currently enrolled at the middle school.

Hello, Crosby ISD Families.

- When using your phone to complete the registration process, it is best to turn the phone to landscape mode to better view the screen.

P3 Anonymous Alerts

campus

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

WHAT IS THE P3 CAMPUS ALERT APP?
The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

HOW TO ACCESS THE APP
Send reports over web or internet
You can also download the P3 Campus app for your mobile phone

HOW ALERTS ARE HANDLED
Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are noti ed when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio r
