A note from the principal:

Dear Bulldog Family,

Welcome to the month of May, and our last month in this 2024-2025 school year! It is hard to believe that we only have 4 weeks of school left before summer break! STAAR exams have been completed with the exception of our Algebra 1 EOC, which will happen on Tuesday of next week. Our 8th grade field trip will take place on Friday, May 2nd. Be sure that your child has filled out the waiver if they are attending (even if they are not planning to participate). **The link is: <https://bolder.pcsparty.com/sign/>** Here's to a great start to the last month of this school year!

Warmest regards,

CONGRATS!

Congratulations to our Millsap Middle School Teacher of the Year Mrs. Riana Beavers

It is with great admiration and deep appreciation that we recognize Mrs. Riana Beavers as the Millsap Middle School Teacher of the Year. Riana exemplifies everything it means to be a servant leader, an outstanding educator, and a model member of our Bulldog Family. Her influence extends far beyond the walls of her 8th grade English Language Arts classroom—shaping students' academic futures, mentoring colleagues, and serving her community with grace and integrity. Riana brings literature and language to life for her students. Her instructional success is evident not only in her daily classroom practices but in her remarkable results, with consistently outstanding passing rates on the STAAR Reading Language Arts test. She leads by example, holding herself to the highest standard of professionalism while nurturing the hearts and minds of those she teaches. Whether she is guiding her students through complex texts or encouraging them in UIL Academics, Riana always shows up with purpose and passion. But her impact doesn't stop at instruction. Riana has taken on leadership roles with quiet strength and steadfast dedication. From mentoring new teachers, to coordinating the UIL Academic team—where she has led significant growth in both participation and performance—Riana constantly looks for ways to serve others and improve the student experience. She also stepped up to help lead the 8th grade field trip and participated in community-wide efforts to support peace and unity during challenging times. Her willingness to take initiative and lead with excellence makes her a cornerstone of our campus culture. Her professionalism is unmatched. Riana is fair, kind, and consistent. She follows procedures, engages with integrity, and never involves herself in negativity. She is admired by colleagues not only for her competence, but for her character. Parents are grateful to have their children in her class—not only because of the academic foundation she builds, but because of the example she sets. In fact, one student's life has been so profoundly shaped by her that she now wants to become a middle school English teacher herself. Riana Beavers is the kind of teacher who changes lives—inside and outside the classroom. Her dedication to her students, her church, her colleagues, and her community is inspiring. She embodies the heart of Millsap ISD and reminds us daily what it means to lead with integrity, serve with joy, and teach with purpose. We are incredibly proud to honor her as our Teacher of the Year.

Mrs. Karla Stewart

It is with great pride and admiration that we recognize Mrs. Karla Stewart as the Millsap Middle School Paraprofessional of the Year. Karla exemplifies everything we hope for in a Bulldog—dedicated, compassionate, professional, and unwavering in her commitment to students and staff. She is truly the heart of our school and a shining example of what it means to serve with integrity, grace, and purpose. Karla goes above and beyond every single day. She is relentless in her pursuit of student success, never hesitating to do what it takes to support learning—whether that means helping students one-on-one, encouraging them to attend study hall, or even following up with students off campus to ensure their work gets done. Her initiative is unmatched. From transforming the library into a more engaging space, to painting and decorating bathrooms, to organizing bookrooms—Karla constantly seeks out ways to improve our school environment. And she does it all with humility, heart, and a quiet determination that inspires those around her. She is the go-to person when help is needed. Whether covering the front office, stepping into classrooms, or mentoring new paras, Karla is always ready to serve without hesitation or complaint. She knows our students well, responds to their individual needs with kindness and insight, and models the very best of Capturing Kids' Hearts culture.
