- | | |
|---------------------------|-------------------------------|
| 4 units of English | 4 units of Social Studies |
| 3 units of Science | 3 units of Mathematics |
| 1 unit World Language | 2 units of Physical Education |
| .5 unit Health | 1 unit Art/Music |
| .5 unit Freshman Seminar | .5 Senior Seminar |
| 5 Hours Community Service | Completed Portfolio |
| 2.5 Electives | 22 Credits Total |

Rank/GPA

Final rank is determined at the end of the first semester of the student's senior year. It includes all high school courses taken. In calculating class rank, an index is applied to the final grade to reflect degree of course difficulty. Rank is weighted. GPA is unweighted.

COURSE INFORMATION

Science

All regents' level science courses meet
 3 additional times for lab in a 6-day cycle.

Vocational Technical Education

A half-day vocational program for training and exploration is available to juniors and seniors.

New Visions

A program designed for high achieving motivated students who work well independently. Students explore their chosen career area by participating in internships through the year as well as work on college level course work.

DISTINCTIONS

Holland Patent High School graduates on average around 100 students a year and has a 4-year graduation rate of 93%.

Holland Patent High School partners with Mohawk valley Community College, Hudson Valley Community College, SUNY Cobleskill, Utica University, and Syracuse University to offer students the opportunity to take college-level curriculum and earn college credits.
