Board Appointed Committee Process

Thank you for your interest in our meeting. Board appointed committees are structured to assist the Board of Education and the Kirkwood School District in finding solutions to current and/or future issues as well as educating the public on the programs and services provided to students.

We welcome members of the public to attend and view the business of the district. If you are not a member of the committee, we ask that you respectfully observe the meeting in the area designated for patrons. Advisory committees do not include an opportunity for public comment, but you are welcome to visit **kirkwoodschools.org/letstalk** to provide feedback or start a conversation on any agenda item covered during the meeting. If you would like to request to be considered as a member of a committee, contact ksdsuperintendent@kirkwoodschools.org

As with all KSD events, **Policy KK: Visitors to District Property/Events** will be followed.
