

2025-2026 Whitley Road Elementary School Supply List

The supplies listed have been determined as the necessary materials for each student to have to be prepared for school each day. Since these supplies are necessary for a student to be prepared for class, parents may be asked to replenish during the year should your child's supplies become depleted or unusable.

This list includes the basic individual student supplies, but teachers may request donations of additional classroom supplies to support their classroom needs. Any support from parents in providing these additional classroom supplies is greatly appreciated but not required.
