Principal's Message

As we head into the final month of the school year, I want to take a moment to thank you for your continued support and involvement—it truly makes a difference!

May is shaping up to be an exciting and busy month, filled with special events, field trips, and of course, our much-anticipated *Best Day Ever!* We're looking forward to creating lasting memories with your children as we wrap up the year on a high note.

We'll also be celebrating **Teacher Appreciation Week from May 5th through May 9th**. Our staff has worked tirelessly to create a positive, engaging, and supportive learning environment, and this is a wonderful time to recognize their dedication and efforts. Whether it's a kind note, a small gesture, or a simple thank-you, every bit of appreciation goes a long way in making our teachers feel valued and seen!

As we count down the days, let's finish the year strong—together. I hope each of you has a fun, restful, and safe summer ahead. Thank you again for being such a vital part of our school community!

Sincerely,

Josh Stonebraker
Principal
Oakview Elementary

Attendance Matters

Research shows that regular school attendance is one of the most important factors in student achievement. Every missed day a lost opportunity for your child to learn.

Consider this:

When a student misses just 2 days a month:

- They will miss 20 school days a year, which equates to:
 - 30 hours of math instruction
 - 60 hours of ELA instruction
 - 1 year of school by graduation

Let's set a goal for our students to be here all day, every day when they are not sick.

Oakview's Average Daily Attendance Rate for:

April 2025

95.2%

That's fantastic! Keep it up Oakview! We love having you here each day.
