MR. KENNE'S CORNER

We hope you and your family enjoyed a restful and refreshing weekend. As we enter the final week of STAAR testing, we ask for your continued support in helping your child get plenty of rest, stick to a consistent routine, and stay positive—these small steps make a big difference in easing anxiety and setting them up for success.

We are incredibly proud of our students' hard work and dedication throughout the year, and we're confident they will finish strong. Please stay tuned for updates on upcoming field trips, athletic events and our end of the year commencement ceremony. There's so much to do as we head into the final stretch of the school year!

Here's what's coming up this week:

1st & 2nd Grade – Testing all week

6th Grade – Math STAAR on Tuesday

4th & 5th Grade – Math STAAR on Wednesday

3rd & 8th Grade – Math STAAR on Thursday

Congratulations!!!!

In March, the 6th through 8th grade classes participated in the Cuero Auxiliary and VFW's "Illustrating America" art contest. The students worked for several weeks perfecting their entries. Last week we were notified that two of our students had placed!

Congratulations to 8th grader, Gracie Booz on placing 1st and 7th grader Hudson Stehling, for placing 2nd!

These students have been invited to attend the annual Awards Dinner in May. We are proud of ALL our students hard work and amazing art entries.
