

Superintendent's Weekly Message

April 25, 2025

Happy STAAR Week :)

Greetings everyone! This has definitely been an unusual week in SFISD! Since our district internet is not yet fully restored, I am sending this weekly message from home tonight :)

First and foremost, THANK YOU to everyone for your patience and support during this cyber event. Teachers and campus staff - you have done an amazing job of getting creative with our students this week. STAAR/Testing weeks are always a challenge, but you've done phenomenal work. We are officially announcing **JEAN DAYS** for all staff for the remainder of the school year! Enjoy!

Also, a huge shout-out to Corey Click and our tech team. They have been working overtime with our providers to safely restore internet to all staff. *At this time, there is no evidence to indicate that any sensitive student/staff data was compromised during the cyber event.* Our tech department is to be commended! They are doing a truly outstanding job. Please be sure to thank our tech team when you see them.

In other news, we were able to recognize our SFISD "Employees of the Year" this past week:

Business - Kelly Logan

C&I - Jennifer Hulse

Custodial - Jose Molina (SFHS)

HR - Angela Kennedy

Maintenance - Walter Nowicki

Nutrition - Jennifer Elfstrom

Police - Jennifer Smith

Technology - Julia Velasquez

Transportation - (tie) Jennifer Gordon & Amanda Thumann

Elementary Teacher of the Year

Amy Bouse (Kubacak)

Secondary Teacher of the Year

Amber Madden (SFHS)

First-Year Teacher of the Year

Danielle Garza (SFJH)

Please congratulate these awesome SFISD employees when you see them!

Thank you again to everyone for all your patience and support. We wish all of you a safe and blessed weekend,

~ KB
