

ROBOTICS SUMMER CAMP

AUGUST 4-8, 2025 | 9AM-5PM

BUILD + CODE + EXPLORE

WE'RE BACK WITH ROBOTS & FUN!

Saratoga High's **award-winning robotics** team is hosting an **educational and immersive** summer camp for incoming 5th-9th grade students! Learn to build and code robots, and get familiar with engineering and design concepts. All proceeds will be donated.

- ✓ Standard VEX robotics equipment provided
- ✓ Staff with years of experience and know-how
- ✓ No prior experience required!

Date/Time: August 4-8 from 9AM-5PM

Instructors: MSET CuttleFish Robotics

Fee: \$425/student

Open to: Incoming 5th-9th Grade Students

Contact: visionxlearning@gmail.com

Location: 20548 Lomita Avenue, Saratoga, CA 95070
