Community Information Bulletin

SUMMARY OF RESULTS | SPRING 2025

The District's goal is to ensure all students are provided with **safe, positive schools and an environment conducive to learning.** The District is committed to non-discrimination in discipline practices and treating all students fairly and equitably.

As required by the stipulated agreement with the Department of Justice, the OUHSD is required to provide a twice-yearly community information bulletin that shares data and updated information on how the District is improving its discipline policies, procedures, and practices and the terms and implementation of substantive provisions in the Judgment.

Because this document is lengthy and includes a large amount of data required by the Department of Justice, we provide this summary highlighting the District's progress. The full Fall 2025 Community Information Bulletin can be accessed on the District website at ouhsd.org.

LPO Drum Major Onyx Houston Shines in Rome's New Year's Parade

We are thrilled to celebrate the outstanding achievement of Onyx Houston, the LPO Drum Major, who took part in the New Year's Parade in Rome on January 1, 2025.

The parade was a global spectacle and Onyx was proud to represent Oroville on such a prestigious stage. Onyx was one of only three drum majors selected to perform in a special segment hosted by USA Varsity. Onyx showcased incredible choreography, spinning the mace in a flawless routine. Their performance was nothing short of spectacular and truly highlighted the skill and dedication of our local talent. We congratulate Onyx for an incredible performance and for bringing pride to our school and community.
