

DEIC Committee Meeting

The DEIC Committee will hold a public meeting on April 30, 2025 at 4:00 p.m. at the Magnolia ISD Event Center located at 11659 FM 1488, Magnolia, Texas 77354.

The purpose of this meeting is to discuss the school district's proposed District of Innovation plan. Magnolia ISD first became a designated District of Innovation on February 8, 2018 for a five-year term beginning with the 2017-2018 school year ending with the 2022-2023 school year. The Magnolia ISD's District of Innovation status was renewed on August 1, 2022 and is currently set to extend until July 31, 2027. The District of Innovation Plan being proposed on April 30, 2025 will renew Magnolia ISD's District of Innovation status beginning with the 2025-2026 school year and extend for a five year period ending July 31, 2030.

House (HB) 1842, passed during the 84th Legislative Session, permits Texas public school districts to become a District of Innovation (DOI) and to obtain exemption from certain provisions of the Texas Education Code allowing the local control and flexibility as it relates to district planning and some state regulations. The adoption of the District of Innovation plan allows District flexibility to improve the educational environment for the benefit of students and the community.
