Principal's Blurb

I cannot believe our year is coming to a close. This has been such an amazing year at Northland. I am so grateful for the opportunity to watch the students and staff work so hard this year. It is truly a blessing to be part of this amazing community.

As we wrap up the year, all students will be taking Fastbridge assessments in reading and mathematics. I am excited to see the growth of our students.

Remember to check out the many activities we have this month. We want to celebrate the great accomplishments this year with some end of year fun!
