WORTHINGTON
LIBRARIES

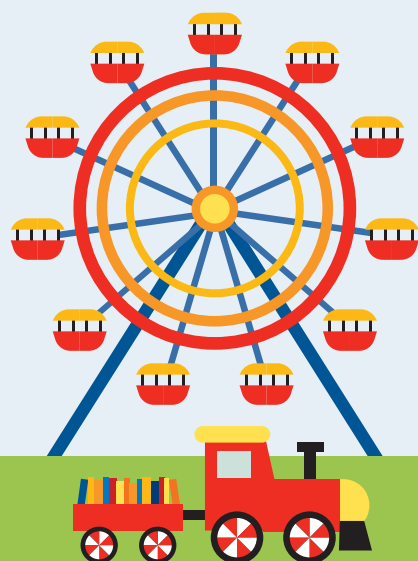

Blue ribbon fun for everyone!

The fastest way to win gift cards and toys or earn books and free food this summer?

Step right up to reading!

No hoops to jump through for admission, just set a goal and get to work. Faster than you can say **"fill my face with fantastic fried fair food,"** it will be time to collect your prize. This year's club has all the good old-fashioned fun of a state or county fair – animals, arts and crafts, games, treats and more!
