CHRISM MASS

The Diocese of Orange celebrated the Chrism Mass at Christ Cathedral on April 14. The annual Mass brings together the clergy of the Diocese, where they renew their priestly promises in unification with Bishop Kevin Vann.

Bishop Vann also blessed the oil of the sick, oil of the catechumens and sacred chrism. The oils are kept in the cathedral's ambry and distributed to parishes throughout the year.

CRISTO REY ORANGE COUNTY HIGH SCHOOL'S ¡VIVA! GALA

Cristo Rey Orange County High School celebrated its second annual ¡VIVA! gala on March 29 at Paséa Hotel and Spa in Huntington Beach. The event celebrated Cristo Rey's second school year and honored WCM Investment Management, whose partnership has been instrumental in supporting Orange County students with transformative educational and career opportunities.

Over 400 prominent philanthropists, corporate partners and community leaders raised over \$2.5M for Cristo Rey

students. Funds raised will help ensure Cristo Rey is an affordable option for students who might otherwise be unable to access a Catholic, college prep high school uniquely integrated with real-world work experience.
