

Cleveland Metro Remote School K8

October is here!

Monthly message from your Parent Ambassador.

India Jones: Parent Ambassador

October is here and it is a busy one! We have made it halfway through the first marking period and I hope everyone is doing well. I want to use this month's newsletter to share more information about upcoming events. I will also include a link to a survey to gather more information from families. We want to create more family engagement events and give students more social opportunities to enhance their learning experience. We also have a new school logo!

October Events and Engagement

Staff at CMRS K8 have been working hard planning and organizing events that will engage our students, parents and families.

#SOCKTOBER: Socktober is an ongoing event where we collect donations like socks to distribute to Cleveland's homeless community. We are collecting new socks and you can drop them off at John Adams High School on the 3rd floor. You can also order an item directly from an Amazon wish list curated by Mr. Dorotics.

PINK MONTH: Support cancer awareness month with us and help collect much needed supplies for cancer patients at UH Seidman Cancer Center. We are collecting fragrance free lip balms and lotions, lap blankets and socks and supportive notes and cards. An Amazon wish list has been created for this ongoing event as well.

We are also planning to partner with the Steel Yard for a Trick or Treat event October 29th, 2022. Be on the lookout for more information. Also, we have a trip to the zoo planned for November 5th, 2022! From 12pm-4pm. This event is free and lunch will be provided. Meet at the Nature Nook Pavillion. Nature Nook is in the main entrance to the right.

Make sure to engage with our school on its many social media platforms. We are on Facebook, Youtube and Instagram. Important announcements and resources are posted on these pages. Our music teacher Ms. Elardo also has a music page for families and students to engage with. You can watch different kinds of videos on our YouTube page, like read aloud videos. These are fun and easy ways to engage and help us expand our school community and build a culture for our school.

In order to provide our scholars a time to socialize outside of class, we will be starting a Lunch Bunch with Mrs. Dodson. During these scheduled times, she will have an open Zoom room where students can log in and eat lunch 'together' and partake in some fun activities. In order to make this appropriate, we will have specific grades go on specific days.

12:10-12:40

Monday - K and 1st

Tuesday - 2nd and 3rd

Thursday - 4th and 5th

Friday - Middle School

This will start on 10/3.

I have created a survey for families to complete so we can gather more information about everyone. We want to have the most accurate information so that we can serve each student and family better. We want more guidance so that we can host engagement activities that fulfill your needs.
