

DEER VALLEY UNIFIED SCHOOL DISTRICT
20402 N 15th Ave, Phoenix, AZ 85027 (623) 445-5000

TECHNOLOGY DEVICE USER ACKNOWLEDGMENT

By receiving a technology device provided by the Deer Valley Unified School District, you acknowledge that the technology device is to be used and maintained in its original condition, with reasonable wear and tear excepted, by the designated borrower. All specified equipment is and shall at all times remain the property of the District and must be returned prior to the student's last day of enrollment in the school. Please note that all DVUSD technology devices will only function by logging in with a DVUSD student login.

By accepting a district Technology Device, both the Student and Parent/Guardian understand:

- Users must abide by the Deer Valley Unified School District COPPA, Electronic Devices, and Internet sections of the Student Rights and Responsibilities Handbook (<https://url.dvusd.org/SRRHandbook>). • Users must use the technology device primarily for educational use in order to access curriculum, resources, and assessments.
- All internet activity on district technology devices is filtered and logged.
- Any web content filtering beyond the District network will be the responsibility of the user and parent.
- Users must not install or remove any software without prior authorization from the District. • Users must not install virtual private networks (VPN) or other software that circumvents district filters on district-provided technology devices.
- Users must report any problems, damages, misuse, or misconduct immediately to the school administration.
- All repairs must be coordinated by DVUSD and completed by district approved vendors. • The equipment is the property of the District and must be returned on or before the student's last day of enrollment in the school.
- If the equipment is not returned to the District in its original condition or if the equipment is damaged, lost, or stolen, due to negligence or not utilizing reasonable care in the use of the equipment, reasonable wear and tear excepted as determined exclusively by the District, the parent/guardian will be financially responsible for the replacement value of the equipment as determined by the District.
- All information stored on the District technology device carries no expectation of privacy and is the property of the District. The District reserves the right, at all times and without prior notice, to inspect and search any and all its property for the purpose of determining whether any policy has been violated, or when an inspection and investigation is necessary for purposes of promoting safety or compliance with state and federal laws.
- Parents/Guardians may purchase a device protection plan within the first 3 weeks of receipt of the device. Enrollment in the plan is optional. More information can be found on the district website at <https://www.dvusd.org/departments/cia/edtech/student-devices>.

I acknowledge that my student will need to demonstrate reasonable care with respect to the security and physical well-being of the District technology device. In the event the Deer Valley Unified School District determines that my student did not utilize reasonable care of the District technology device or if it is damaged, lost, or stolen, I will be financially responsible for the repair or replacement cost.

OPTIONAL DEVICE PROTECTION PLAN

The Deer Valley Unified School District is providing a device protection plan for students and parents utilizing take-home devices. Enrollment in the plan is optional with the understanding that if students/parents do not enroll in the protection plan they may carry full liability for the student device (Chromebook or iPad) in the same way they do for other damaged or lost school property, such as textbooks. Purchase the protection plan online: <https://url.dvusd.org/PaymentPortal>

FAQs

My Chromebook isn't working! What do I do? Am I going to be charged?

Visit Ms. MacK ASAP in the BGHS Library/Media Center. She will either solve your problem or issue you a replacement Chromebook. If it is an OS error, it will be fixed, free of charge, and you will be issued a replacement Chromebook. However, a cracked screen or physical damage will result in a fine. (See "Deductibles and Replacement Costs")

Can I put stickers on my chromebook?

At BGHS, students may add removable stickers; however, paint and/or sharpie on the shell/case or keyboard is unacceptable. Chromebooks with vandalism will be charged \$125.00 for damage. Intentional damage, such as vandalism, is not covered by the Device Protection Plan (see "Exclusions" of Protection Plan document).
