General Project Information
Bond 2023

Project: New Elementary School #48 (in the Sunterra subdivision)

Project Description: Construct prototype elementary school designed for 1,280 students

Background & Justification: The site is located north of Clay Road and east of Schlipf Road. Growth in the northwest quadrant of the district continues on an annual basis. Construction of this new campus will provide relief to existing campuses that currently house students in surrounding attendance boundaries.
