

General Project Information Bond 2023

Project: Beck Junior High (BJH) Renovation/Addition

Project Description:

- Mechanical/electrical/plumbing renovation (including lighting)
- Architectural improvements to provide spaces for curriculum and programs
- Ten (10) classroom building addition

Background & Justification: Due to the age of the facility, we are recommending a renovation to address aging building components and student learning spaces.

Past Major Building Projects:

- 1996 – Campus opened
- 2003 – Music room addition
- 2008 – Weight room expansion
- 2012 – Chiller replacement
- 2016 – Lighting retrofit
- 2017 – Front office and Career and Technology Education (CTE) renovation and expansion
