General Project Information
2021 BOND

Project: New Elementary School #44 in LUZ 30, Cane Island Subdivision

Scope of Work to Include: Construct prototype elementary school designed for 1,030 students.

Background & Justification: The site is located northwest of Cane Island Parkway and the future Innovation Drive. Growth in the northwest quadrant of the District continues on an annual basis. Construction of this new campus will provide relief to existing campuses that currently house students in surrounding attendance boundaries.
