# General Project Information
# 2021 BOND

**Project:** New Junior High School #18 in LUZ 2C/2D

**Scope of Work to Include:** Construct prototype junior high school designed for 1,400 students

**Background/Justification:** The site is located east of the Katy Hockley Road and Longenbaugh Road intersection. Growth in the northwest quadrant of the District continues on an annual basis. Construction of a new campus will provide relief to existing campuses that currently house students in surrounding attendance boundaries.
