District/School Progress/AYP

Under new federal measures for accountability, each school is responsible for a portion of the school district's AYP AMOs. Germantown is not a Reward, Focus, or Priority school based on measurable areas of success or need for improvement; therefore, we continue not to be on any state watch list. Germantown strives toward meeting or exceeding state achievement and growth goals in Mathematics, English Language Arts, Science and Social Studies. As we strive to provide a well-rounded education, we are also looking at factors for attendance, & discipline. For further details, please visit the State Report Card at <http://edu.reportcard.state.tn.us>.

School Improvement Plan

GES maintains a current School Improvement Plan which is updated annually to reflect current data and changing student needs. A copy of the School Improvement Plan is available on our school website— <https://schools.scsk12.org/germantown-es/> —or by request.
