At-Home Decodable Reading Series

Free Reading Resources Available for Tennessee Families

Help Children Learn How to Read

We care about young learners and want to help them become the best readers they can be! **That is why we are excited to provide the At-Home Decodable Reading Series to all Tennessee families** with kindergarten, first, and second graders for free.

WHO

Tennessee families with students in kindergarten, first, or second grade have free access to the At-Home Decodable Reading Series.

WHAT

Each packet has 7 decodable booklets, which contain exciting stories full of sounds and words to practice. Families can read the 20+ stories at home with their child to help them sound out words and build their phonics skills.

HOW

Orders can be placed using the following link or the QR code below: tn.gov/education/decodables

Parents will be able to order one packet for each of their kindergarten, first, or second grade students, and the At-Home Decodable Reading Series will be delivered to the address provided.

Order Here Today!

Each packet includes 7 decodable booklets with stories that will help you and your child practice specific sounds, phonics, and a few new words. The stories are designed for families to read with their child multiple times to increase their child's fluency.

Helping all kids in Tennessee become strong readers is so important. We hope all Tennessee families will take advantage of this resource!
