

Third Grade Newsletter

Important Dates

April 14: Curriculum Night
5:00-6:30

April 15 – School Out Good
Friday

April 18 – 28 – TCAP Testing
Students need to be at school
each day.

TCAP Testing will begin daily at 9:15 am
Students need to be at school each day on time.

Parents, please make sure you are checking over your child's homework each night. Students need to **work out** all math problems and answer choices. Students need to **underline evidence** from text in Reading.

ELA-We will compare and contrast different texts to identify the key points presented.

Math- In Math this month we will be working on creating and reading bar and pictographs. We will also be working on TCAP test prep.

Science-In Science, students will explore traits and behaviors that help animals survive.
