

January 2022 Third Grade

WONDERLAND

ELA: In January, students will use various text features (e.g., key words, side bars, hyperlinks) to locate key facts or information in texts efficiently. They will also use terms such as chapter, scene, and stanza to describe parts of stories, dramas, and poems when writing or speaking about a text. Finally, students will study more about context clues and root words. We will write opinion essays.

Math- This month we will begin Module 5. We will learn about fractions. Also, we will continue working with multiplication.

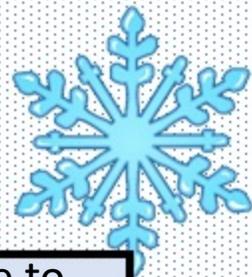

Science- This month in Science, we will be studying planets. Students will explore the inner and outer planets of Earth's solar system. Students will also begin exploring weather and climate.

Social Studies- This month in social studies we will explore continents, oceans and countries of the world, we will also learn about major features of the world.

Important Dates

January 3- Q3 Begins
January 17 – School Out for MLK, JR. Day
