and Career Day

Red Ribbon Week

Field Trips

Service Projects

Wristbands for Water

Levi Elementary staff and student body join in efforts with Local 24 News Ms. Katina Rankin and Katina's Klassroom, a 501c3 non-profit organization, in support of classroom supplies, water, and basic needs for students at Noyaa Academy in Jamestown, the poorest community in Accra, Ghana. Wristbands are available for \$1.

Please join us in this global community service project as we teach our students about acts of kindness and showing compassion for our fellow human population here and abroad from January 14th-February 14th, 2019.

Thank you in advance for your support! For more information, call 901-416-8166 or email hornerre@scsk12.org or katinarankin.com.

Let's make a difference together!!!.
