

YOUR CAREER PATH STARTS WITH US!

The MPLOY Youth Summer Experience (MPLOY) is a locally funded initiative administered by the Memphis Office of Youth Services (MOYS) that provides City of Memphis youth ages 16 to 22 with meaningful and rewarding work experiences for six weeks during the summer. This program generally begins the first Monday in June and runs through mid-July.

MPLOY partners with local businesses, organizations, and non-profits. These entities offer structured job opportunities for youth while the cost of the participants' stipends are covered by the City of Memphis.

The application for youth interested in MPLOY for the upcoming summer is available via the MOYS website (cityofmemphisyouth.org) during the application period, which will begin in early February.
