

## Become a Volunteer Ombudsman Representative

Advocate for the rights of residents in nursing homes, assisted-living facilities, and residential care homes in Shelby, Fayette, Tipton, and Lauderdale counties. Volunteers pay regular visits to these facilities, where they spend time with residents, monitor conditions, investigate complaints, and protect their rights.

## Become a MIFA Ambassador

MIFA Ambassadors are specially trained volunteers who promote MIFA's vision, mission, and programs at community events. These volunteers man the MIFA information table, hand out MIFA materials, and educate prospective clients and volunteers about the services we provide.

## Seasonal Opportunities

Prepare Holiday Cards during November and December. We need volunteers with excellent handwriting to address cards, but others can help check, stamp, and seal.

Serve at the Calvary Waffle Shop during Lent. Volunteers serve as hosts during the Lenten Preaching Series hosted by Calvary Episcopal Church.

## Other Ways to Serve

Join us for special opportunities and events. We need computer-savvy individuals for data entry, community-minded advocates to serve as MIFA reps for MICAH, task-oriented volunteers to prepare pet food deliveries for clients' companion animals, and more!
