Please make sure that you have joined the REMIND thread for your student's homeroom teacher. Use the following example to set your display name:

Courtney Barringer (Max)

Science and Social Studies- Mrs. Totty

Welcome to 5th grade! This week we will start science. Our first unit is about SPACE! This week we will cover movements of the sun, moon and Earth.

Our vocabulary words are: orbit, gravity, inertia, revolution and rotation.

Homework on Monday evening-write the vocab definitions in the spiral science notebook. This is **due Tuesday at the beginning of class**. If not in the notebook 5 points will be deducted. If homework is not completed by Tuesday, then 10 points will be deducted for each day it is late.

We will have a quiz on Friday- it will cover the vocabulary words and their definitions.

*Students can make flash cards for each of the definitions, it will count for 5 bonus points on the test/quiz. There must be a separate card for each vocab word. Flash cards are to be brought on the day of the test or quiz. (*this is an **optional** opportunity for extra credit!) Flash cards can be made every week that we have vocabulary terms, whether it is a science or social studies week. 😊

Important Dates for Science/Social Studies

Weeks of August 12 and 19- Science

Weeks of August 26 and September 2- Social Studies

Standards: 5.RI.KID.3 5.RL.KID.1 5.RL.CS.4

Noredink: Components of a Sentence: Part 1

Commonlit: First Day Fly

5th Grade Weekly Updates

Mrs. Barringer- Math

Important Dates

8.13- Math Homework #1 Comes Home **DUE 8.20**

8.14 iReady Math Fall Diagnostic

8.20- Topic 1 and 2 Vocabulary Study Guide Comes Home- **ORANGE SHEET**

9.4-Topic 1 and 2 Vocabulary Assessment

Math Reminders/Procedures:

-Please review multiplication facts. We will take timed tests just like in 4th grade. 5-10 minutes nightly reviewing facts as well as factors vs. multiples would benefit all students. Fractions and base ten are the foundation for ALL math.

-Study Guides count as homework. They are expected to be completed and may not be turned in late. If your child is absent, it is due the next day. In the event there are 1-2 items that your child has a question about, encourage your student to attempt the problems and please note that we review the study guide in class on the day it is due. I also offer time from 8:15-8:30 daily for

questions on HW. There should be no more than 2-3 problems not completed upon turning in the assignment to receive the credit.

-Please remind students to arrive at class on time with all necessary materials. Ask your student what may need to be replenished- dry erase markers, pencils (no mechanical pencils), cap erasers etc. **A conduct mark will be issued to students without supplies.**

This week:

Topic 1 Lessons 1-5 Understanding Place Value

Lesson 1: Patterns with Exponents and Powers of 10

Lesson 2: Understand Whole Number Place Value

Lesson 3: Decimals to Thousandths

Lesson 4: Understanding Decimal Place Value

Lesson 5: Comparing Decimals

Students may complete IXL Lessons at home using any computer. Passwords have been distributed. The list of lessons for August are:

In the Sixth Grade Tab : D 1,2 G 4,5

In the Fifth Grade Tab: C 1-3, D 1, 3

Students can find these under the Recommendations by Your Teacher Tab in IXL..

These are not mandatory, simply extra practice. Your student also has Teacher Assigned iReady Lessons based off of the most recent iReady Winter Math Diagnostic.

How does my student log in?

1. www.edugoodies.com.scs
2. Clever
3. C. Magbee's Page
4. IXL
5. Sign In
6. Hover on Learning
7. Select Recommended by Your Teacher to see lessons.
