

5<sup>th</sup> Grade Weekly Updates      **September 9-13, 2024**

**Mark Your Calendar:**

September 13<sup>th</sup>- Skate Night

NOTE: If your student is tardy, please send an excuse note. Tardies remain unexcused without a note.

Also, please note- 5<sup>th</sup> grade students are to complete all classwork, homework and assessments in pencil. (Unless otherwise instructed) Points will be deducted for assignments completed in pen or marker. Homework will NOT be accepted if completed in pen or marker (unless instructed to do so).

**Science and Social Studies- Mrs. Totty**

This is week 3 (out of 4) of science for Quarter 1. This week we will compare and contrast objects in space. We will also determine earth's place in the universe and galaxy.

Our 3 vocabulary terms this week are: asteroid, comet, and meteor

**Homework on Monday evening**-write the vocab definitions (IN PENCIL) in the spiral science notebook.

This is **due Tuesday at the beginning of class**. If not in the notebook 5 points will be deducted. If homework is not completed by Tuesday, then 10 points will be deducted for each day it is late.

We will have a quiz on Friday- it will cover the vocabulary words and their definitions.

\*Students can make flash cards for each of the definitions, it will count for 5 bonus points on the test/quiz. There must be a separate card for each vocab word.

Flash cards are to be brought on the day of the test or quiz. (\*this is an **optional** opportunity for extra credit!) Flash cards can be made every week that we have vocabulary terms, whether it is a science or social studies week. 😊

## Important Dates for Science/Social Studies

Weeks of September 9 and September 16- Science

Weeks of September 23 and 30th-Social Studies

## Mr. Wardlow – English Language Arts

Standards: 5.RI.KID.3

Wonders Unit 1, Week 5

### Vocabulary Quiz Sept. 13th

- **Stories: The Future of Transportation**
- **Read Works Do Now: Transportation**

#### Vocabulary:

1. **Exponential**-expressible by an equation in which a symbol written above and to the right of a symbol

## 5<sup>th</sup> Grade Weekly Updates

**Mrs. Barringer- Math**

### Important Dates

**Multiplication Fact Fluency is imperative for this week's lessons. Please review nightly.**

9.10- Topic 2 Study Guide Due AND Topic 3 & 4 vocab goes home

9.11- Topic 2 Assessment

9.12- Computation Practice #4

9.17- Topic 3 Study Guide goes home-DUE 9.24

9.19- Computation Practice # 5

9.25- Topic 3 Assessment

9.26-Computation Practice #6

10.2- Topic 3 & 4 Vocab Quiz

10.3- Computation Practice #7

## Math Reminders/Procedures:

-Please review multiplication facts. We will take timed tests just like in 4<sup>th</sup> grade. 5-10 minutes nightly reviewing facts as well as factors vs. multiples would benefit all students. Fractions and base ten are the foundation for ALL math.

-Study Guides count as homework. They are expected to be completed and may not be turned in late. If your child is absent, it is due the next day. In the event there are 1-2 items that your child has a question about, encourage your student to attempt the problems and please note that we review the study guide in class on the day it is due. I also offer time from 8:15-8:30 daily for questions on HW. There should be no more than 2-3 problems not completed upon turning in the assignment to receive the credit.

-Please remind students to arrive at class on time with all necessary materials. Ask your student what may need to be replenished- dry erase markers, pencils (no mechanical pencils), cap erasers etc. **A conduct mark will be issued to students without supplies. Students may not use a pen on any assignments in math class. Points will be deducted if a pen is used.**

This week:

### Topic 3

Lesson 3: Multiplying 4 digit by 1-digit numbers using the standard algorithm

Lesson 4: Multiplying 2 /3-digit numbers by 2-digit numbers using an area model

Lesson 5: Multiplying 2 /3-digit numbers by 2-digit numbers using the standard algorithm

Lesson 6: Multiplying 2 /3-digit numbers by 2-digit numbers using the standard algorithm

Students may complete IXL Lessons at home using any computer. Passwords have been distributed. The list of lessons for September are:

**In the Sixth Grade Tab** : D4, B4, C 5-6

In the Fifth Grade Tab: D12, E 1-2

Students can find these under the Recommendations by Your Teacher Tab in IXL..

**These are not mandatory**, simply extra practice. Your student also has Teacher Assigned iReady Lessons based off of the most recent iReady Fall Math Diagnostic.

## How does my student log in?

1. [www.edugoodies.com.scs](http://www.edugoodies.com.scs)
2. Clever
3. C. Magbee's Page
4. IXL
5. Sign In
6. Hover on Learning

7. Select Recommended by Your Teacher to see lessons.
