Science and Social Studies- Mrs. Totty

\*SCIENCE IS OVER for Quarter 1\*

This is week 3 (out of 4) of social studies for Quarter 1. This week we will jump a couple of thousand years to when the settlers arrived in Tennessee.

Our 9 vocabulary terms this week are: Cumberland Gap, Dragging Canoe, John Sevier, long hunters, Nancy Ward, Proclamation Line, Watauga Compact, Watauga Settlements, and Wilderness Road

Homework on Monday evening-write the vocab definitions (IN PENCIL) in the spiral social studies notebook. This is due Tuesday at

**the beginning of class.** If not in the notebook 5 points will be deducted. If homework is not completed by Tuesday, then 10 points will be deducted for each day it is late.

We will have a quiz on Friday- it will cover the vocabulary words and their definitions.

\*Students can make flash cards for each of the definitions, it will count for 5 bonus points on the test/quiz. There must be a separate card for each vocab word.

Flash cards are to be brought on the day of the test or quiz. (\*this is an **optional** opportunity for extra credit!) Flash cards can be made every week that we have vocabulary terms, whether it is a science or social studies week. 😊

## Important Dates for Science/Social Studies

Weeks of September 23 and 30th-Social Studies

Week of October 7- Fall break!

### Mr. Wardlow – English Language Arts

Standards: 5.RI.KID.3 Explaining the relationship between two or more individuals, events, and ideas in a story

**5<sup>th</sup> Grade Weekly Updates**

**Mrs. Barringer- Math**

## Important Dates

Multiplication Fact Fluency is imperative for the next topics.

Please review nightly.

9.24- Topic 3 Study Guide DUE /CODE Multiplication HW goes home  
**Please complete the front and the back of the assignment in pencil.**

9.25- Topic 3 Assessment

9.26-Computation Practice #6

10.1- Robot Robbery Extra Credit Due-see below

10.1- CODE Multiplication is DUE- **complete IN PENCIL**

10.2- Topic 3 & 4 Vocab Quiz

10.3- Computation Practice #7

**10.3 All missing work must be turned in to be graded**

**10.4 End of Quarter One**

The Topic 3 and 4 Vocabulary Review is LIVE! Students may access the practice via Quizziz on my Clever page. They can also go to joinmyquiz.com and use the code 76380381 to join.

**Please remember that the expectation is that students use only initials and class number to sign in, for example CB29 or 29CB.**

**EXTRA CREDIT ALERT!** Students have the Case of the Robot Robbery as an extra credit task for this quarter. They may work on it at home or as an early finisher task in class. It is due on 10.1.24. **EXTRA CREDIT WILL NOT BE COLLECTED LATE.**

Students will receive 5 points on our Topic 3 and 4 vocab test for completion.

Math Reminders/Procedures:

-Please review multiplication facts. We will take timed tests just like in 4<sup>th</sup> grade. 5-10 minutes nightly reviewing facts as well as factors vs. multiples would benefit all students. Fractions and base ten are the foundation for ALL math.

-Study Guides count as homework. They are expected to be completed and may not be turned in late. If your child is absent, it is due the next day. In the event there are 1-2 items that your child has a question about, encourage your student to attempt the problems and please note that we review the study guide in class on the day it is due. I also offer time from 8:15-8:30 daily for questions on HW. There should be no more than 2-3 problems not completed upon turning in the assignment to receive the credit. We complete the front and the back of the study guide each time.

-Please remind students to arrive at class on time with all necessary materials. Ask your student what may need to be replenished- dry erase markers, pencils (no mechanical pencils), cap erasers etc. **A conduct mark will be issued to students without supplies. Students may not use a pen on any assignments in math class. Points will be deducted if a pen is used.**

**This week: Topic 4: Focus is on attending to precision and computation on a word problem.**

Lesson 1: Multiply Decimals by Powers of 10

Lesson 2: Estimate the Product of a Decimal and a Whole Number

Lesson 3: Use Models to Multiply a Decimal and a Whole Number

Lesson 4: Multiply a Decimal and a Whole Number

What is your favorite thing to eat?

Students may complete IXL Lessons at home using any computer. Passwords have been distributed. The list of lessons for September are:

**In the Sixth Grade Tab** : D4, B4, C 5-6

In the Fifth Grade Tab: D12, E 1-2

Students can find these under the Recommendations by Your Teacher Tab in IXL.

**These are not mandatory**, simply extra practice. Your student also has Teacher Assigned iReady Lessons based off of the most recent iReady Fall Math Diagnostic.

## How does my student log in?

1. [www.edugoodies.com.scs](http://www.edugoodies.com.scs)
2. Clever
3. C. Magbee's Page
4. IXL
5. Sign In
6. Hover on Learning
7. Select Recommended by Your Teacher to see lessons.
