Science and Social Studies- Mrs. Totty

This is week 2(out of 4) of social studies for Quarter 2.
This week will be a continuation of Tennessee becoming a state. We will also get into the TN Constitution and Andrew Jackson's early contributions to the US.

Vocabulary terms for the week are: Andrew Jackson, constitutional convention, Knoxville, population requirement and June 1, 1796

Homework on Monday evening-write the vocab definitions (IN PENCIL) in the spiral notebook. This is **due Wednesday (due to no school on Tuesday)** at the beginning of class.

If not in the notebook 5 points will be deducted. If homework is not completed by the due date, then 10 points will be deducted for each day it is late.

We will have a test on Friday

*Students can make flash cards for each of the definitions, it will count for 5 bonus points on the test/quiz. There must be a separate card for each vocab word.

Flash cards are to be brought on the day of the test or quiz. (*this is an **optional** opportunity for extra credit!) Flash cards can be made every week that we have vocabulary terms, whether it is a science or social studies week. 😊

5th Grade Weekly Updates

Mrs. Barringer- Math

Important Dates

Multiplication Fact Fluency is imperative for the next topics.

Please review nightly.

11.7- Topic 5 Assessment Practice due- NEW DATE

11.8-Topic 5 Assessment

11.12- Case of the Disappearing Donuts Math Mystery Extra Credit is due-NEW DATE

11.12-Topic 6 Assessment Practice Comes Home

11.19-Topic 6 Assessment Practice is due

11.20-Topic 6 Assessment

Now that we are in the 2nd quarter, I will no longer send out reminders that homework or a project is due. Please develop a routine to ensure that the work is completed at home in pencil and is returned to school on the due date.

Math Reminders/Procedures:

-Please review multiplication facts. We will take timed tests just like in 4th grade. 5-10 minutes nightly reviewing facts as well as factors vs. multiples would benefit all students. We are beginning division, and it is **CRITICAL** that multiplication facts are mastered.

-Study Guides count as homework. They are expected to be completed and may not be turned in late. If your child is absent, it is due the next day. In the event there are 1-2 items that your child has a question about, encourage your student to attempt the problems and please note that we review the study guide in class on the day it is due. I also offer time from 8:15-8:30 daily for questions on HW. There should be no more than 2-3 problems not completed upon turning in the assignment to receive the credit. We complete the front and the back of the study guide each time.

-Please remind students to arrive at class on time with all necessary materials. Ask your student what may need to be replenished- dry erase markers, pencils (no mechanical pencils), cap erasers etc. **A conduct mark will be issued to students without supplies. Students may not use a pen on any assignments in math class. Points will be deducted if a pen is used.**

This week:

Topic 5: Focus is on Using Models and Strategies to Divide Whole Numbers

Lesson 6: Larger Dividends
Lesson 7: Division Strategies
Lesson 8: Division Problem Solving
Topic 5 Assessment
