

TOUCH & FEEL TEXTURES

Make your own handy textures!

MATERIALS:

CONSTRUCTION PAPER

PENCIL

SCISSORS

GLUE

TEXTURED OBJECTS (SOFT,
HARD, ROUGH, SMOOTH,
BUMPY, SHARP, ETC.),

- 1 Trace your hand on six different pieces of construction paper. Cut out the hands.
- 2 Glue a different textured object to each hand. Let the glue dry.

- 3 Feel the objects. How many different words can be used to describe each object?
