Snowden (Middle) School Art Club

What is the Snowden School Art Club?
Snowden Art Club is for Middle School students who wish to spend additional time on art by pursuing independent studies, working on team projects with other students, trying out new creative processes outside of the art class or have increased time to complete class work. We will meet every Tuesday after school. I will announce in advance any day we DO NOT have a meeting with as much notice as possible through the REMIND App. We will also be looking for additional opportunities to learn about art, which may include a field trip and guest speakers. Any outside exploration will be announced well in advance with additional Permission Slips required.

Any additional questions, please contact Ms. Embry embryb@scsk12.org
