Thank you. We only one item on our agenda tonight and that is to go into executive session to discuss matters leading to the employment person or appointment of a particular person. Do I have a motion? Moved Mr. Masse, second Mr. Kenline. Questions or comments? All in favor? Motion carried.

We are going into executive session at 6:01 PM. We do not anticipate conducting any business when we come out of executive session, so at this point we are going to end the ZOOM meeting.
