# Grayson High School AP Agreement

**Student Name:**_____ **Student ID #:**_____ **Grade Level:** _____

The Advanced Placement curriculum consists of college-level classes taught at the high school by high school teachers with additional training and/or certification. AP exams are administered nationwide in May. Many, but not all, colleges award credit or allow a student to be exempt from certain college courses if the student scores a 3, 4, or 5 on the AP exam. Students should check the AP admission policy for their college of choice PRIOR to registering for an AP course at Grayson High School.

**All students interested in taking one or more AP courses needs to complete the information below and return it in person or via email to Mr. Adam Gagliotti.**

**List all AP classes for which you are registering for next school year in the AP Class column below.**

## *AP AGREEMENT*

***By registering for AP courses, I understand the following***:

- Signing up for an AP Course is a **year long commitment.** We will **NOT** make course changes mid-semester.
- AP curriculum is rigorous and will require additional hours of study per AP course
- 10 points will be added to my final average at the end of the semester
- How GA HOPE Scholarship calculates AP grades. For example, a natural 85 will be a 95 on the transcript, but GA will take the natural grade (85 = B = 3 in a GPA scale) and add .5 in the GPA (the AP course will be a 3.5 on the GPA scale for HOPE).
- Summer work may be required
- I have taken all necessary prerequisite coursework
- My commitment to AP is for the entire school year
- I have accessed the GHS website and have reviewed the course description, skills for success, academic suitability, out of class commitments, and summer work for each AP course for which I am registered.

### Students will NOT be permitted to drop AP courses

*Please sign, acknowledging you understand the AP Agreement above and confirming you have accessed the Grayson High School website and have read the summer work for each AP Course for which you are registering.*

Grayson High School understands that unforeseen circumstances may occur that may require a schedule change. Before a schedule change is done, please understand the following things will be considered and incorporated before a change is made: adjustment to advisement for teacher support, after school and before school tutoring sessions, teacher recommendation and counselor approval.

**Students need to return this form to Adam Gagliotti via email or in person by May 9th, 2025**
