We are now accepting applications for the 25-26 school year tell everyone you know and get referral rewards for those who enroll

---

**We expect scholars to be in school 95% of the time as you can see from the chart no grade level is meeting the 95% average daily attendance. Parents we must do better at getting scholars in school daily. Scholars missing school tremendously effects their grades and their ability to move on to the next grade level. Let's help our scholars by getting them to school daily.**

**ATTENDANCE MATTERS**

Missing a day of school here and there may not seem like much, but absences add up!

When a student misses 2 days a month..	When a student misses 4 days a month..
They will miss <b>20 DAYS</b> a year.	They will miss <b>40 DAYS</b> a year.
They will miss <b>30 HOURS</b> of math over the school year.	They will miss <b>60 HOURS</b> of math over the school year.
They will miss <b>60 HOURS</b> of reading & writing over the school year.	They will miss <b>120 HOURS</b> of reading & writing over the school year.
They will miss over <b>1 YEAR</b> of school by graduation.	They will miss over <b>2 YEARS</b> of school by graduation.

## **Emergency Contact Cards**

Emergency cards will come home this week and must be returned the very next day. It is of vital importance that your scholars emergency card is turned in as soon as possible. Do not be the reason your child's class does not receive the reward.
