For Immediate Release:

The Metropolitan School District of Lawrence Township has hired J.T. Owens as the next Assistant Athletic Director of Lawrence North High School. He will replace Mr. Jim Zeller, who will be retiring in July.

Owens is a 2006 Lawrence North graduate, where he was a member of the football, basketball, and track & field teams, earning nine varsity letters. He was a member of the 2005 IHSAA boys basketball state championship team. After graduating from Lawrence North, he went on to play football at Indiana University, being able to play in the Insight Bowl vs Oklahoma State during the 2007 season.

A graduate of Indiana University, Owens has served Lawrence North High School as Dean of Attendance and Event Supervisor for the last four years. He is a former football and track & field assistant coach at Lawrence North.

"We are extremely excited to have J.T. help lead the Wildcat Athletic Department," said Athletic Director Mike Penrose. "As a LN grad, J.T. knows the history of Lawrence North athletics first hand and has had a lot of success as an athlete at the high school and collegiate level."

Owens said, "It is an honor to have the privilege to come back to Lawrence North where my journey started. I'm excited to be a part of the tradition of excellence and serve the community in which I grew up. It is a dream come true to be a Wildcat again, Go Cats."

Mike Penrose, Athletic Director
Lawrence North High School
