To: Graduating Seniors & Parents

Subject: School Meal Account Balances

Congratulations to the graduating class of 2025! I just wanted to pass along that for those students that are graduating you need to decide on what to do with your School Lunch Account Balance. You can choose from one of the following choices:

1. Request a refund by email. When requesting a refund please include the student's name and the correct address to send the refund check to.
2. Request that the graduating student's balance be transferred to a sibling's account who will still be attending a Falmouth School. An email request will be needed which includes the graduating student's name and the name of the sibling receiving the account balance.
3. Request to donate the graduate's account balance to students who are less fortunate and can benefit from a donation. If you wish to donate, please send an email stating so. Please include the graduating student's name and the desire to donate his/her balance to the "Village Account".

All email requests must be sent to paul.milliken@falmouthschools.org.

If you have any questions, please contact me at the above email address or by phone at 207-781-7429 ext. 5700.

Good Luck to you in your future endeavors!

Paul Milliken
