Utilize inquiry methods of observation, research, and experimentation to explore other subjects through artmaking.</p>	<p>In this unit, students will explore themes of diversity, including LGBT and disabilities, through painting and drawing. They will engage in constructive critique with peers, reflect on feedback, and revise their artwork to align with their personal artistic vision. Additionally, students will make connections between artists or artworks and social, cultural, and political history, exploring the significance of representation in art. They will also utilize inquiry methods of observation, research, and experimentation to explore other subjects through artmaking. Through hands-on activities, discussions, and projects, students will deepen their understanding of diversity and inclusion while honing their painting and drawing skills.</p>

<b>NJSLS CAREER READINESS, LIFE LITERACIES &amp; KEY SKILLS</b>	<b><i>Disciplinary Concepts:</i></b> Career Awareness & Planning, Creativity & Innovation, Critical Thinking and Problem-Solving, Technology Literacy	
	<b><i>Core Ideas:</i></b>	Different types of jobs require different knowledge and skills. Brainstorming can create new, innovative ideas. Critical thinkers must first identify a problem then develop a plan to address it to effectively solve the problem. Collaboration can simplify the work an individual has to do and sometimes produce a better product.
	<b><i>Performance Expectation/s:</i></b>	Make a list of different types of jobs and describe the skills associated with each job. Demonstrate openness to new ideas and perspectives. Demonstrate originality and inventiveness in work. Gather information about an issue, such as climate change, and collaboratively brainstorm ways to solve the problem. Identify possible approaches and resources to execute a plan. Use a variety of types of thinking to solve problems. Describe the benefits of collaborating with others to complete digital

		tasks or develop digital artifacts.
	<b>Career Readiness, Life Literacies, &amp; Key Skills Practices</b>	
	Demonstrate creativity and innovation. Utilize critical thinking to make sense of problems and persevere in solving them. Use technology to enhance productivity, increase collaboration and communicate effectively. Work productively in teams while using cultural/global competence.
