### Teachers, Families, Scholars – Together for Success

#### The Classroom

Classroom participation is encouraged regularly by classroom teachers for special student projects, presentations, and volunteer opportunities. Families are to schedule visits in advance with their child's teacher. To motivate our parents to attend and participate, we send home weekly flyers, make phone calls, create posters, send home student invitations, and include all events in our newsletter. Our school utilize Leader in Me that creates leadership culture and climate amongst staff, students, and families.
