

RIGHT TO EDUCATION

LOCAL TASK FORCE 23 OF MONTGOMERY COUNTY

Empower Families, Enhancing Education, Ensuring Inclusion

What is Executive Functioning?

with Dr. Becky Millspaugh, MCIU
Project Consultant

Tuesday, May 13, 2025
from 9:30 AM to 11:00 AM
via ZOOM

This session will explore executive functioning—the mental skills that help children plan, stay organized, manage time, remember things, and regulate emotions. You'll learn how these skills support your child both during the school year and over the summer, and walk away with practical tools to build confidence and independence at home.

Register for this session today.

Included is the opportunity to provide input on future session topics and share thoughts about your community.
