

Safety Issues

March 20, 2025

- Committee wants to know if we received our threat assessment back for review. We have not and Mr. Posset will follow up with state police.
- Central's after school program is concerned about parents being in the school prior to rec basketball practice. Mr. Posset will work with the athletic director to push back their start time to keep them out of the building.
- Big Beaver would like maintenance to address pot holes in the parking lot this spring. Mr. Posset said maintenance will fill the.
