

# Safety Issues

**September 19, 2024**

- Central annunciators are not working on the pre k doors.
  - Tech will call Dobil for repair.
- Middle school has no concerns
- Big Beaver needs more mulch on the play ground
- Big Beaver also would like the outside area sprayed for ticks. Maintenance already has a program in place with our pest company.
- High school principal would like to look at adding more cameras.
