Hello Wall Township Elementary Families,

We are very excited to offer Summer Knight Academy (SKA 2025) to our incoming K–5 students for the 2025–2026 school year. We would like to extend our sincere thanks to the Wall Township Board of Education and Superintendent Dr. Handershan for their continued support and for allocating the funds to make this valuable program possible at no cost to families.

SKA 2025 is a STEAM-based summer program designed to strengthen students' reading and math skills, foster creative thinking, and provide meaningful social opportunities. Students who need it will also receive targeted instruction in foundational literacy skills from a reading interventionist each day. Time will be allotted daily for outdoor recess (weather permitting) and a snack brought from home.

Due to limited space, registration will be tiered:

Round 1 – By Invitation

- Registration link will be emailed through Blackboard Connect to parents of students receiving targeted reading intervention on **May 1, 2025**.
- Registration for this round will close on **May 7, 2025 at 3:00 PM**.

Round 2 – Open to All

- The registration link will be sent to all current PreK-4 through 4th grade families and posted on our website on **May 8, 2025 at 9:00 AM**.
- Registration will remain open through **May 16, 2025**.

Please note: registration for Round 2 will be on a first-come, first-served basis. All submissions will be time-stamped as space is limited. Families will be notified of placement via email on May 19, 2025.
