

The care & feeding of your school Chromebook.

1. Please **DO NOT** store papers & folders in your Chromebook case. It puts pressure on the Chromebook and can easily break the screen or the cover.
2. Please **DO** bring your charger with you daily so that your Chromebook is always ready to go. It's very disappointing to discover that your Chromebook is low on battery power.
3. Please **DO NOT** cram your Chromebook into a backpack with books and other hard objects. This could also break the screen and covers.
4. Please **DO** keep your Chromebook in the case to protect it. Broken Chromebooks can be expensive.
5. Please **Do Not** decorate your Chromebook with stickers or drawings. It is school property.
6. Please **Do** bring your Chromebook to Tech Support in the Media Center if anything happens to it. This includes broken screens, missing hinge covers, no internet, etc.
7. Please **Do Not** leave your Chromebook exposed to extreme cold or hot temperatures.
8. Please **Do** fully charge your Chromebook every night.
