

My name is Jay Grover. My family, which includes my wife Karen and three daughters, Sarah, Samantha and Reese have enjoyed and been active members of the Grand Island community since 2006. Sarah graduated from Grand Island Senior High School where she played lacrosse, cheered, and played violin in the orchestra. She is now a sophomore at Tiffin University. Samantha is a junior at Grand Island Senior High School, plays lacrosse and sings in the chorus. Reese is a sophomore at Grand Island where she plays lacrosse.

I hold a Bachelor's degree in Elementary Education and a Master's degree in Education. I am currently a 6th grade teacher in the West Seneca Central School District and have over 28 years' experience in public schools.

As a trustee on the Grand Island Board of Education I have been very involved the past six years. Some highlights of my work include:

- Member of Joint Town Board Wellness Committee
- BOE liaison for high school PTSA
 - Chair Academic Awards Committee 2020-present
 - Co-Chair Celebration of Inspiration 2021
- Policy Committee Member
- Steady and strong support of District Leadership throughout the COVID Pandemic
- Lobbied elected officials to fully fund Foundation Aid
- Brought back students as soon as possible under the New York State COVID regulations
- Introduced funding and funded additional staff in order to increase mental health services
- Supported School Resource Officers for our schools
- Demonstrated financial responsibility

My goals, if re-elected include:

- Continue to provide and expand on mental health and student support services
- Continue to make fiscally sound decisions that support our schools and make sense for all taxpayers
- Continue to support the development and alignment of the curriculum in our schools

I would be grateful and honored for you to consider me for re-election. I look forward to furthering my involvement in the initiatives and programs in both the school and community.
