Big A Elementary School

2024-2025

School Improvement Plan

Vision: Growing Greatness in **ALL** students

Goal 1: Create a Positive Learning Environment (School Safety, Attendance, Mental Health Awareness, Student Behavioral Needs)

During the 2024-25 school year, Big A Elementary School will implement daily Leader in Me lessons and monthly character education lessons to increase a positive learning environment for all students as measured by a decrease in Opportunity Room referrals.

Goal 2: Increase the percentage of students reading and performance at the proficient level

During the 2024-25 school year, Big A Elementary School will work to provide students with quality learning experiences and rigor, ensuring 70% of our students are reading proficiently as measured by state and local assessments.

Goal 3: Increase the percentage of students performing at proficient level in math skills

During the 2024-25 school year, Big A Elementary Schools will work to provide students with quality learning experiences and rigor, ensuring 70% of our students demonstrating or exceeding on math standards as measured by state and local assessments.
